## Welcome to Jurupa AYSO

Thank you for being a part of our soccer program. This year we have a new web site that is under construction. There is a lot of information already there, so remember to visit. In September you will also be able to find this newsletter there.

When was the last time you learned something new? All of our teams need coaches and referees. We will teach you what you need to know and now is the time to sign up. Don't be shy, be involved, be part of the excitement with your child. It will take some time. But is there a better way to spend your time, than with your child? When you choose to be a coach or a referee, you choose to make a difference.

**we need volunteers, especially  
coaches and referees!!  
AYSO is run entirely by volunteers**

**Get involved...**

**It's easier than you think!**

**we learn something new  
while spending time with our kids  
and having a lot of fun**
